Subject Payment Guarantee

Dear Driver,

The recovery company has carried out this assignment on behalf of the road authority. The costs of the services performed must be paid by the transport company.

For the handling of the incident and to obtain a payment guarantee, the recovery company requires the following information from your company/employer.

We kindly request that you complete the information below to speed up the process. A company stamp containing all company details is also accepted.

- Contact person's e-mail address:
- Contact person's telephone number:
- Company name:
- Address:
- Postal code/City:
- VAT number:

We request that you contact your company in advance so that they are aware of the payment they are required to make to us.

Upon receipt of a payment guarantee and/or payment, the recovery company can release the vehicle. Until that time, the recovery company is unfortunately obliged to retain the vehicle under its legal right of lien.

Thank you in advance for your cooperation.
